MEMBER NEWS

Did you know there are BENEFITS to being a Kiwanis member? Check out the list on the Kiwanis International website! www.kiwanis.org/resources/benefits.

How about a 15% savings on hotel stays? Or a discount on hearing instruments, or a special price on many prescriptions. Check it out!

SPEAKER SCHEDULE

This is an opportunity to learn more about a current topic, making our homes and businesses more "Green"... or eco-friendly.

Our speaker and special guest this week is Dale Karsten. Dale will talk about his energy-efficient home - things that worked and things that didn't, as he tried to build green.

SERVICE PROJECTS

As one of the world's leading community-service organizations, Kiwanis' strength is that it is both international and local. Collectively, clubs have responded to global problems while continuing to address local needs.

Do you know what our Mankato local mission/projects are? Isn't this why you joined? The opportunity to serve is here and now! With summer almost here, it is a perfect time to consider how you will spend a few hours of your time each month.

There are several service projects going on, but the primary focus is the Kids Against Hunger project. Please consider joining the Service Committee if you have not already joined a committee! We need all of our members to be more active!
