## Mankato Kiwanis Diversity Club

# NEWSLETTER

October 4th , 2007

Education, activation and celebration!

### **October 4 will be a Celebration - Revitalization Meeting**

Celebrate all we have done, in our first year, to provide service in the community!

#### **Guest Speaker: Joan Eisenreich** - Community Education Director

"I would like to address my remarks to the needs of the low income and diverse students in our district. For the past four years, the District 77 Community Education and Recreation department has been working in collaboration with the Salvation Army to run the SAL Youth Center here in Mankato. During the past summer, the SAL Youth Center served over 190 students who participated in summer enrichment and educational activities. I would like to talk to the Kiwanis club about the students that we serviced and the value of the SAL youth center for Mankato Youth and for the community as a whole."

#### **October 11, Guest Speaker will be Dr. Scott Fee**

Title of Presentation: Building Eden: Africa's First Green Business School

#### **October 18<sup>th</sup>, Guest Speaker will be Ed Waltman**

He will present an overview of the November 6, 2007 \$1.5 million School Referendum

#### **Service Project opportunity... Your brains are needed for this one!**

Our entire Club has been invited to meet with Cecil Gassis, Anne Gainey and the people they are working with at Walking in Two Worlds. We are invited to the table for a real chance to get to know each other better and to observe what Walking in Two Worlds does. This is a unique networking opportunity for us!

The Walking in Two Worlds connecting event - **Oct. 23, 9-11 am at the YWCA.**

For more information or if you have questions, please email Nancy at [nancycp@charter.net](mailto:nancycp@charter.net).

\*\* Stewart is looking for your suggestions for speakers for the meetings.

Please send them to him at [stewart.ross@mnsu.edu](mailto:stewart.ross@mnsu.edu)
